## About Brazos Pipeline Company

Brazos Pipeline Company is committed to the safe and compliant operations of its pipeline assets. Our goal for these assets is that they be operated and maintained so that no accidents occur, they are continually in compliance with regulations governing pipeline operations and their presence in the community is welcomed by residence and community leaders.

Brazos Pipeline preforms quarterly and annual audits as required by the governing regulations. Brazos Pipeline remains incident-free since its inception in 2003.

## Products Transported and Counties Involved

Product	Description	Health and Fire Hazards
Natural Gas	<b>Leak:</b> Gas <b>Vapor:</b> Lighter than air and will generally rise and dissipate. May gather in a confined space and travel to a source of ignition.	<b>Health:</b> Will be easily ignited by heat, sparks or flames and will form explosive mixtures with air. Vapors may cause dizziness or asphyxiation without warning and may be toxic if inhaled at high concentrations. Contact with gas or liquefied gas may cause burns, severe injury and/or frostbite.
